

What **experienced lenders** say about Linda's workshops...

State	Name	Position	Company	Quote
CA	Gina Phillips	Loan Specialist	First Republic	Even if you are experienced, you need a refresher to learn more or remember old ideas long forgotten.
CA	Helen Amor	Commercial Lender	Pacific Mercantile Bank	Answered questions I always wanted to know.
CA	Jan Christensen	Underwriter	Canyon National Bank	It is great to learn new things while getting a refresher at the same time!
CO	Eric Jones	Banking Officer	First Bank	The course had layers of difficulty allowing for basic information and more advanced. There is nothing needing improvement.
WA	Rebecca Williamson	Loan Support Specialist	Pierce Commercial Bank	The manual, notes and case studies were very helpful. The class was a great stepping stone for new and experienced lenders.
CA	Kim Creese	Senior Loan Processor	Hawthorne Savings	The class was very informative. It simplified what I already know. I can review tax returns now without the fear of what I missed.
CA	Pamela Maples	Loan Administrator	Union Safe Deposit Bank	I think all managers and loan originators should take this course. I wish I had come sooner.
ID	Tanya Escure	Financial Specialist	Farm Credit Services	Very helpful. Reminds you of things that may have been forgotten.
CO	Chris Conrad	Banking Officer	First Bank	All officers would find this useful.
