

What lenders say about coming back for a **refresher...**

State	Name	Position	Company	Quote
CA	Jennifer Trujillo	Loan Officer	Omni Mortgage	I've taken the course 3 times and still found it quite useful and very effective. It is definitely an essential class to be taken by professionals in the lending industry.
OR	Carol Ruggen	Commercial Lender	Lincoln Security Bank	Since taking the class for the first time last Fall, I had been struggling with the information on K-1 and schedule K. This class cleared that up for me- I had a "breakthrough" and feel as though I have a much better understanding of the info contained there.
CO	Jennifer Wright	AVP	First Bank	It was great. Each time I come, I learn so much more!
